

A Different Kind of Hero

A hero isn't always one who saves the day.
A hero can be anyone who brightens up your day.
But how can you tell who's a hero? What characteristics do you see?
That's why I am here to show you what a hero might be.

A hero can be one who gives you food to eat.
A hero can be one who puts shoes on your feet.
A hero could be one who works to give you clothes.
A hero could be someone you have always known.

A hero could be one that has taught you to read.
A hero may be one who encourages you to lead.
A hero could be someone who helps you learn your math.
A hero could be someone who leads you down a new path.

A hero may be one you met in the first grade.
One who helps you make decisions when you are afraid.
If you're under pressure any time at all, they'll help you get through it,
even if you stumble or fall.

Hero's come in millions of forms,
Parents, families, teachers, and more.
Now all you have to do is find what kind of hero you may be.
You don't need to save the day,
just be a hero in your own special way.
