

Why is my favorite  
place my cousin's house?  
I like to watch shows  
with my cousin. We watch  
Dodger games and  
Pokemon. Sometimes we get  
to turn off the lights to  
make it like we're at the  
theater. We make popcorn  
with the show.

3 on 3. My cousin and I  
play tag. Playing together  
is fun.

I like when we go  
as a family to my cousin's  
house. It is nice when  
we get together.

We get to spend time  
with my aunts, uncles,  
grandfather and grandmother.
