

National PTA's Reflection Program 2009/2010

Theme: "Beauty is..."

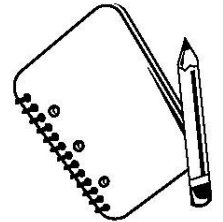

Has your child ever dreamed of having their drawing or photo framed and hung in a special art exhibit at their school? Can your child imagine what it would be like to have their story or poem published in a school or PTA newspaper, or to play or sing a song they wrote in front of an audience?

Your child may be able to if they participate in the Reflections Program that the PTA has every year. The theme for this year's program is "Beauty is...". Have your child think about the theme and talk with family and friends about what it means to them. Then, have them create a piece of artwork, take a photo, write a song, write a story, create a dance or a film about it. It'll be fun!

To get an entry form (required for every entry) and rules for the type of entry you are interested in doing, please fill in the bottom section and have your child return it to the school office. The information will be sent home later with your child. All entries are due no later than _____, 2009.
